# A message from the Principal

Many thanks for your interest in Leicester Grammar School Trust. I hope that the following introductory notes will give you an impression of our thriving and ambitious schools and will help you to decide whether or not to submit an application. You will gather from the Trust's remarkable history that it is an inspiring and vibrant place both to learn and to work, with a commitment to preparing young people for a lifetime of challenge and fulfilment. Staff share high expectations not only of what children can achieve but, above all, of who they can become – when enthused through dynamic teaching, provided with outstanding opportunities and supported through attentive pastoral care.

I hope you may wish to be part of this warm and happy community as it goes from strength to strength.

John Watson  
Headmaster of Leicester Grammar School and Principal of Leicester Grammar School Trust

# Leicester Grammar School Trust

Leicester Grammar School Trust (LGST) is a forward-thinking family of schools, underpinned by a strong sense of values. Its mission is to be an inspiring centre for co-educational excellence in academic and personal development, within a Christian ethos. We attract and encourage enthusiastic, dedicated and innovative teachers and support staff who all contribute to our pupils' progress and happiness.

At the heart of the Trust is Leicester Grammar School, founded in 1981 in response to the demise of the maintained grammar schools in the area. The Junior School was added in 1992, which broadened the educational offering of the Trust. The defining milestone in the Trust's development was the bold and inspired decision in the mid-2000s to move the two schools from the heart of Leicester to the edge of Great Glen, a rural village some seven miles to the south of the city. Since September 2008, the two schools have occupied a very attractive, 75-acre campus, which was officially opened by Queen Elizabeth II.

The acquisition of nearby Stoneygate School in 2016 brought a third educational institution under the umbrella of the Trust, offering greater choice to parents in Leicestershire and surrounding areas who seek an independent education for their children. In September 2021, Stoneygate was relaunched as LGS Stoneygate, with its own unique ethos and identity within the Trust's family of schools.

Situated on the outskirts of one of the most multicultural cities in the UK, all three LGST schools are proud to draw children from city and country, and to welcome pupils and staff from a rich range of cultural and religious backgrounds.

# Leicester Grammar School

Leicester Grammar School won the accolade of Sunday Times East Midlands Independent Secondary School of the Year in both 2020 and 2024, as well as achieving Sunday Times 2024 East Midlands School of the Year for Academic Performance. The school was also in 2024 shortlisted as one of eight finalists for the TES Independent Senior School of the Year award and, most recently, for Independent School of the Year for Student Well-being. In its last inspection (January 2024), the importance of pupils' well-being was seen as a significant contributory factor to their success.

Our pupils enjoy exceptional opportunities within and beyond the classroom; we have high expectations, but the success of our community stems above all from a culture of aspiration and care.

The school, indeed the Trust as a whole, is financially strong and led by a very committed leadership team and an open, collaborative and well-qualified board of fourteen local Trustees. We attract positive, polite and 'grounded' children, who display a strong sense of respect for one another and for staff. Concerns over behaviour are rare; our pupils thrive in a calm and purposeful community.

Examination results in the last two years since a return to pre-pandemic standards have been excellent: in 2023, 69% of A levels were graded A\*/A, making us the top-performing co-educational independent school in the Midlands, and 30th independent school nationally (The Telegraph). GCSE results at 9-7 were 81% in 2024, and pupils typically proceed to a range of highly coveted courses at university (including Oxbridge and overseas) or win degree apprenticeships. A recent Telegraph article ranked the school within the top five in the Midlands for value for money (based on the ratio between fees and examination outcomes).

The school has very good local transport links, with both London and Birmingham under an hour away by train. It is nestled in the glorious countryside of the East Midlands with many beautiful villages in the surrounding area. The market town of Market Harborough, situated 10 miles to the south of Great Glen, offers a strong sense of community and regularly features in the top 10 of lists such as 'the Most Liveable Place in England' and 'the Sunday Times Best Places to Live'.

## The school's aims are to:

- Promote intellectual curiosity and academic excellence.
- Provide a broad, balanced and stimulating curriculum.
- Offer a rich range of co-curricular opportunities which enhance pupils' physical, cultural and personal development.
- Equip pupils with the self-belief, consideration and skills required for a principled and fulfilling life.
- Create a happy and mutually-supportive community of learners and staff, in which each individual is encouraged and enabled to do and be their best.
- Care for the mental and emotional well-being of pupils, and be proactive in the promotion of a healthy lifestyle.
- Welcome pupils of diverse backgrounds and faiths, nurturing their social and spiritual development.
- Foster a generous contribution to charity, community service and society.

# Campus and Facilities

The new-build scheme, completed in 2008, provided the Grammar School and the Junior School, housed in the same building, with excellent facilities, outstanding equipment and a beautiful and practical space in which to learn and work together.

Accessed from the main entrance foyer of the Grammar School is St Nicholas' Hall which seats over 900 and hosts assemblies, chapel services, school concerts and large drama productions. An extension was added in 2015, providing additional science and lecture facilities, meeting and office space and an enhanced Sixth Form common room. We have recently installed a new Medical Suite and extended Well-being and Learning Development hubs, as well as a new Sixth Form Study Centre.

In addition, there is an indoor sports complex which offers multi-use courts for Badminton, Basketball and Netball. Indoor Cricket nets and Table Tennis are available, along with a well-equipped and supervised fitness suite, a Gym/ Dance Studio and a 25-metre, six-lane, heated swimming pool. With 75 acres of land, including several full-sized rugby pitches, cricket pitches and nets, two all weather artificial hockey pitches, eight floodlit hard tennis and netball courts, it is no wonder that the site has been used as a team training base for national teams, including the Canadian Rugby team and the West Indies Ladies' Cricket teams.

# Drama Department

The Drama Department is a dynamic and creative environment that fosters the development of pupils' confidence, communication, and performance abilities, in addition to their academic progress.

It offers a wide range of curricular and co-curricular opportunities, including several productions: the main school production this year was 'Beauty and the Beast', while this term the lower school have just performed 'School of Rock'. Furthermore, there is a 'play in a day' for our Prep (Y6 Senior) form and the department lends support and encouragement to house drama. A very high standard of performance is achieved, and auditions are oversubscribed. The department nevertheless embraces an inclusive approach, so that pupils have ample opportunity to participate in ensemble, backstage and technical team roles too. There is very healthy liaison with the Music department over musical productions and a conspicuous sense of confidence-building joy throughout the team of pupils and staff!

In class, pupils engage with diverse theatrical styles, practitioners, and texts, enabling them to enhance their acting, directing, and technical theatre skills while promoting teamwork, creativity, and critical thinking. Good numbers of pupils opt for GCSE and A level, with 31 pupils in two groups in the current Year 10 and five in Year 12. The WJEC Eduqas specification is followed in both cases. They are very well supported by dedicated teachers, who give generously of their time to secure best outcomes. Results are strong, and pupils will often proceed to Drama School or University to study Drama or a related subject. The department also oversees LAMDA lessons, delivered through specialist teaching, and pupils again achieve high standards.

From September 2025, the core department team will consist of Director of Drama and Teacher of Drama, supported by a wider team of staff who help with the production, direction and other aspects of the school's 'dramatic' life. The AV Manager will continue to provide an excellent level of support and expertise, with pupils also playing a key role. Drama Prefects and other senior pupils assist staff with organising rehearsals, supporting younger pupils, and encouraging participation in drama activities across the school. Their contributions are crucial in creating an inclusive and vibrant drama community, inspiring others to engage and to develop a passion for the performing arts.

The department benefits from exclusive use of a purpose-built drama studio, with main productions occurring in the school's larger auditorium, St Nicholas' Hall. It maintains strong connections with local theatres, including the prestigious Curve Theatre in Leicester, and organises a programme of theatre visits throughout the year. These outings provide pupils with an excellent opportunity to experience live theatre.
